

THE OLIVERIUS SOCIETY

LEAVING A LEGACY OF COMMUNITY SUPPORT

Investing in the future of Greater Topeka through United Way

For more than 80 years, United Way of Greater Topeka has been committed to helping our most vulnerable neighbors build better lives. Starting as a local Community Chest during the Great Depression, the organization evolved into United Way of Greater Topeka in 1975. Today, United Way invests in more than 20 community partners that provide innovative, measurable and accountable solutions to challenges in education, financial stability and health. We continue to support those in crisis by funding basic needs. We connect volunteers to causes they are passionate about and connect those in need to the resources that can stabilize their situation.

As a member of the **Oliverius Society**, your legacy gift will ensure that the evolving needs of everyone in our community will be met. Whether you commit your gift to education, financial stability, health or simply dedicate your gift to the ongoing stability of United Way, you secure your spot in the history AND the future of our community.
