**PART 1: APPLICATION INFORMATION**

**Section 1 Available Funds**

Approximately \$440,000 will be made available for Social Services Grants in calendar year 2024. The City of Topeka and United Way of Kaw Valley cannot be held to this amount as Congressional allocations and City budget constraints may cause the amount to change. United Way of Kaw Valley and the City of Topeka reserve the right not to allocate all funds available depending on the number and quality of applications received.

**Section 2 Funding Mechanics**

**A. Eligible applicants**

For all priority areas, any state recognized non-profit corporation is eligible for these funds. These organizations must make services available to all Topekans, or make services available to a specific group with specialized needs, i.e. the elderly, children, disabled adults, homeless, low-income families/individuals, etc. Funds can be used only to serve persons who reside within the city limits of Topeka. Emergency Services and Preventive/Counseling are defined as follows:

- **Emergency Aid** - Programs which provide assistance given to cover essential needs on an emergency or crisis basis
- **Preventive/Counseling** - Programs which provide services on an ongoing or as-needed basis to help at-risk individuals and families stabilize their lives and avoid or overcome emergencies

The Grantee understands that as a recipient of funds from the city, that grantee must be in compliance with Title II of the Americans with Disabilities Act and the implementing regulations 28 C.F.R. Part 35 as to all of its facilities and programs.

Resolution 7580 applies to agency eligibility. "No grant or loan or financial assistance shall be authorized or made from funds administered by any city department to any person, firm, partnership, for-profit corporation, not-for-profit corporation, joint venture or other association of persons who owes any debt to the City of Topeka or who owes any delinquent real estate taxes or personal property taxes or special assessments at the time of entering into a contract." Further, the requirements of Resolution 7580 apply to the agency, not to the individuals served by the funded service.

Community Development Block Grant (CDBG) Funds Requirement.

The primary objective of CDBG funding is the development of viable urban communities by the provision of decent housing and a suitable living environment and expanding economic opportunities, principally for persons of low and moderate income. To meet the objectives of the CDBG program, all activities funded with CDBG under this RFP must benefit low and moderate-income persons (Regulations listed here can be found at 24 CFR 570.2 and 570.200 (2)).

Applicant should be aware CDBG will not be available until Congressional appropriations are made and written agreements are executed between HUD and the City, which will likely be well after January 1, 2024.
