UNITED WAY
Kaw Valley

\$192 = ONE MONTH OF HOPE

Your gift of \$192 covers one month in the Topeka Rescue Mission's CaRE program for a neighbor experiencing homelessness—providing job training, dignity, and a pathway to employment.

The Caring Club is United Way of Kaw Valley's way of saying "thank you" to donors for investing at least \$192 annually in the Community Impact Fund or an Impact Area. Area businesses give card holders discounts to recognize these contributions.

The Community Impact Fund supports innovative, collaborative and accountable work that supports individuals and families and helps build a strong, healthy and equitable community.

Gifts to the Community Impact Fund support education and student success, financial literacy and stability, aid in times of personal or community crisis, volunteer capacity building and coordination, and advocacy.

To get more involved in United Way's community impact initiatives, visit our online volunteer hub any time at KawValleyVolunteers.org.

UNITED IS THE WAY TO CARE
